Demographics The demographic makeup of the school is as follows: 4.4% Asian 1.6% Filipino 0.9% Hispanic 85.8% References
Category:High schools in San Bernardino County, California Category:Public high schools in CaliforniaI don't remember what the previous ep was like because my hubby and i could not get it going that day because of internet issues - but if it were the same as last week, i'll let you know. I'm reading "Walking on Water" and will tell you more when i finish. i've been reading "walking on water" - jesus comes to visit her. i love reading this book. it's one of my favorites i'm reading right now. i find it interesting how he tells her she's been found by the real jesus and jesus wants to come and live in her heart - so after being in the area where jesus was found and found out that it was actually the same jesus - she decides she's going to move on. she also has a "vision" that happens at the end of her book - she has a strange dream that tells her to be still and that she will be given something to do. she decides to wait a little while longer and see what happens. i love reading this book.Peter L. Goldmark Peter Leopold Goldmark (born November 12, 1940) is an American scholar and former university administrator. He was president of the American Council of Learned Societies from 2007 to 2009 and previously served as vice president for libraries and information services at the Carnegie Foundation for the Advancement of Teaching. Early life and education Goldmark was born in New York City in 1940. He received his B.A. and M.A. degrees from Yale University, and his Ph.D. in history from the University of California, Berkeley in 1968. He has held visiting appointments at the American University and the Newberry Library in Chicago,
